How to Use This Pack

Read this first

Use these with any AI chat tool, swapping in your own real numbers and situation. They're built to help you think clearly, not to replace a financial advisor for anything complex like taxes or investing.

What's inside:

- ☐ Budgeting & spending prompts
- ☐ Saving & debt prompts
- ☐ Money mindset prompts

Budgeting & Spending

#	Prompt
1	"Here's my income and my fixed expenses: [paste them]. Help me see what's actually left to work with each month."
2	"Here's what I spent this month by category: [paste it]. What's one category worth a closer look?"
3	"I want to cut spending without feeling deprived. Help me find 3 realistic places to trim, based on what I've shared."
4	"Here's a purchase I'm considering: [describe it]. Ask me questions instead of just telling me yes or no."
5	"Help me build a simple weekly spending check-in I could actually keep up with."

Saving & Debt

#	Prompt
1	"I want to save [amount] by [date]. Work backward with me into a realistic monthly number."
2	"Here's my debt situation: [describe it]. Help me think through which order to pay it down makes sense for me."
3	"Here's my current emergency fund: [describe it]. What's a realistic next milestone?"
4	"I got extra money this month: [amount]. Help me think through a plan before I spend it reactively."
5	"Help me plan a no-spend week that's realistic for my actual life, not an extreme version."

Money Mindset

#	Prompt
1	"Here's a belief I hold about money: [belief]. Help me examine where it came from and whether it's still true."
2	"I avoid checking my bank balance. Help me get honest about what I'm afraid I'll see."
3	"Help me reframe this thought: 'I'm bad with money.' What's a more accurate, specific version?"
4	"Here's how I feel about money lately: [describe it]. Help me separate what's a real problem from what's anxiety."
5	"What's one small win with money I've had recently that I haven't given myself credit for?"
