

SOFT LIFE COLLECTION

The Soft Life Blueprint

Your roadmap to the life you're building.

WORKBOOK

A NOTE BEFORE YOU BEGIN

Welcome, beautiful.

This isn't about doing more. It's about building a life that feels as good as it looks.

You picked up this blueprint because some part of you knows you want more peace, more ease, and more of yourself back. Maybe life has felt busy but not full. Maybe you've been working hard toward a life you haven't fully pictured yet.

The soft life isn't a lazy life. It's an intentional one. It means your time, energy, money, and relationships are arranged around what actually matters to you, instead of around pressure, guilt, or everyone else's expectations.

Over the next pages you'll define what "soft life" means for **you**, get honest about where you are, choose what matters most, and leave with a real roadmap: a 12-month vision, a 90-day plan, and your very first steps.

Go slowly. Be honest. There are no wrong answers here, only clearer ones.

With love,

D. Jones

Founder, Soft Life Society AI

WHO THIS IS FOR

A woman who knows she wants more peace and ease but doesn't have a clear picture or plan yet.

YOU'LL WALK AWAY WITH

A personal roadmap covering your vision, values, priorities, and the first steps to get there.

How to use your blueprint

O1

DEFINE

What does soft life mean to you, and where are you right now?

O2

ENVISION

Your values and a clear picture of the life you're building.

O3

PRIORITIZE

Choose your top focus areas, and what you'll say no to.

O4

PLAN

Turn the vision into a 12-month, 90-day, and weekly roadmap.

Only have 15 minutes? Do this first.

- ☐ Fill in the Life Audit (page 5) and circle your two lowest areas.
- ☐ Write one sentence: "My soft life feels like..." (page 4).
- ☐ Pick one small action from the Soft Life Rituals page (page 12) and do it today.

Come back to the rest when you have an hour. Many women do one section per week.

Ways to use it

- ☐ **Print it** and write by hand. Pages are designed to be printer-friendly.
- ☐ **Digital planner:** import the PDF into GoodNotes or Notability and write with your stylus.
- ☐ **With Luna:** look for the pink "Ask Luna" boxes. Copy the prompt into the Soft Life Society AI app to go deeper, faster.

ASK LUNA

"Luna, I just started The Soft Life Blueprint. Ask me 5 questions to help me figure out what a soft life means for me."

What soft life means to me

Forget the aesthetic for a minute. What would your life actually feel like?

MY SOFT LIFE FEELS LIKE...

WHEN I PICTURE A CALM, GOOD DAY, I'M...

WHAT I'M TIRED OF CARRYING

RIGHT NOW, WHAT DRAINS ME VS. WHAT RESTORES ME

DRAINS MY ENERGY

RESTORES MY ENERGY

ASK LUNA

“Here’s my list of what drains me and what restores me: [paste]. Help me spot patterns and suggest 3 small changes I could make this week.”

Your life audit

An honest snapshot. Circle how each area feels right now, 1 (not at all) to 10 (fully soft).

Rest & wellness	1 2 3 4 5 6 7 8 9 10

A KIND WAY I CAN SAY NO

ASK LUNA

"I need to say no to [situation]. Help me write a kind, firm message that protects my peace."

From vision to roadmap

For each focus area, work backward from the one-year goal to this week's first step.
