

SOFT LIFE

That Girl Daily Planner

Plan her day like the main character.

PLANNER

A NOTE BEFORE YOU BEGIN

Welcome, beautiful.

This isn't about doing more. It's about building a life that feels as good as it looks.

You picked up **That Girl Daily Planner** because you're ready for something to feel easier. This is here to help with planning each day around her priorities, routines, and self-care so she feels in control from morning to night. Nothing here is about doing more or being perfect. It's about small, intentional steps that add up to a life that feels like yours.

Go at your own pace. Skip around if you need to. Come back to it whenever life asks for a reset. Every page is designed to be used, written on, and returned to.

With love,

D. Jones
