

SOFT LIFE

The Weekly Reset Checklist

Sunday reset, simplified.

CHECKLIST

A NOTE BEFORE YOU BEGIN

Welcome, beautiful.

This isn't about doing more. It's about building a life that feels as good as it looks.

You picked up **The Weekly Reset Checklist** because you're ready for something to feel easier. This is here to help with resetting her space, schedule, money, and mind every week in under an hour. Nothing here is about doing more or being perfect. It's about small, intentional steps that add up to a life that feels like yours.

Go at your own pace. Skip around if you need to. Come back to it whenever life asks for a reset. Every page is designed to be used, written on, and returned to.

With love,
