WORKBOOK

A NOTE BEFORE YOU BEGIN

Welcome, beautiful.

This isn't about doing more. It's about building a life that feels as good as it looks.

You picked up **Reels & TikTok Script Pack** because you're ready for something to feel easier. This is here to help with complete short-form video scripts written in a hook, body, and call-to-action format. Nothing here is about doing more or being perfect. It's about small, intentional steps that add up to a life that feels like yours.

Go at your own pace. Skip around if you need to. Come back to it whenever life asks for a reset. Every page is designed to be used, written on, and returned to.

With love,
