How to Use This Pack

Read this first

These prompts pair with any AI chat tool. Swap the bracketed parts for your own niche, product, or story - the more real detail you give, the less generic the output. Use AI to get unstuck faster, not to replace your voice; always edit anything it gives you until it actually sounds like you.

What's inside:

- ☐ Content idea generation for the days you're staring at a blank page
- ☐ Caption and copy prompts
- ☐ Brand voice and positioning prompts
- ☐ Growth and strategy prompts
- ☐ Batch planning prompts

Content Ideas

For the blank-page days

#	Prompt

2	"I want to talk about [topic] without repeating what everyone else in my niche says. Help me find an angle only I could take."
3	"Here's a recent win or struggle: [describe it]. Turn it into 3 different content ideas - a lesson, a behind-the-scenes, and a relatable moment."
4	"What are 5 myths in my niche ([niche]) that are worth busting?"
5	"Turn this one idea into a week of content across formats: [idea]."

Captions & Copy

Prompts to sound like you, faster

#	Prompt
1	"Here's a rough caption: [draft]. Make it punchier and cut it to the shortest version that still creates curiosity."

3	"Here's my post topic: [topic]. Write a caption in my voice, which sounds like: [describe your voice/tone]."
4	"Turn this list of points into a scroll-stopping caption: [bullet points]."
5	"Write a call-to-action for this post that doesn't sound pushy: [describe the post and the action you want]."

Get clear on what makes you, you

5	"Help me write a one-line 'I help [who] do [what]' statement I could use in my bio."

Growth & Strategy

Think like a strategist, not just a poster

#	Prompt
1	"Here's what performed well recently: [describe it]. Help me spot the pattern so I can repeat it on purpose."
2	"I want to grow in [platform]. Based on my niche, what are 3 content formats worth testing this month?"
3	"Here's my current posting rhythm: [describe it]. Is it realistic given my actual capacity, or set up to burn me out?"

Plan once, post all week

1	"Here are 5 raw ideas: [list them]. Turn them into a one-week content calendar with a mix of formats."
2	"Help me batch-write 5 captions in one sitting for these topics: [list topics], keeping my voice consistent across all of them."
