You picked up **The Moving Planner** because you're ready for something to feel easier. This is here to help with planning a move from eight weeks out to move-in day. Nothing here is about doing more or being perfect. It's about small, intentional steps that add up to a life that feels like yours.

Go at your own pace. Skip around if you need to. Come back to it whenever life asks for a reset. Every page is designed to be used, written on, and returned to.
