The Finals Week Survival System

A triage system for the week everything is due at once.

GUIDE

A NOTE BEFORE YOU BEGIN

Welcome, beautiful.

This isn't about doing more. It's about building a life that feels as good as it looks.

You picked up **The Finals Week Survival System** because you're ready for something to feel easier. This is here to help with prioritizing when everything is due at once. Nothing here is about doing more or being perfect. It's about small, intentional steps that add up to a life that feels like yours.

Go at your own pace. Skip around if you need to. Come back to it whenever life asks for a reset. Every page is designed to be used, written on, and returned to.

With love,
